## CAMP PHILOSOPHY

---

The Indiana District Camp is the result of vision, leadership, and dedication going back several decades. None of us would have the privilege of continuing this great work without the champions of past generations who have brought us to this day.

The Indiana District Camp has also operated with a strong philosophy that our campground should always be a place where apostolic people can participate together in powerful worship and hear the apostolic message preached from an unfettered pulpit. The prevailing tradition has also been upheld that God's family shall be together at this place in complete unity and demonstrating a positive Christian attitude to each other and our work. Each person who enters these grounds is responsible for helping us to uphold these traditions, and to always conduct themselves with Christian values and holiness unto the Lord.

## **Letter To Each Camp Staff Member**

*Dear Camp Directors, Dorm Supervisor and Workers;*

*The Indiana District Board welcomes you and thanks you for being part of the great adventure of church camp.*

*Our work is of course made easier when each of us understands the vital aspect of teamwork. The summer camp program in Indiana is historically a testimony of people working together to provide a wonderful Christian place for us all to spend a little bit of our summer.*

*This handbook is intended to present guidelines to all those involved and to help assure the success of our endeavors.*

*Thank you for taking part. Your sacrifice and dedication is appreciated.*

*Yours in Christ,*

**INDIANA DISTRICT BOARD**

## BRIEF HISTORY OF THE INDIANA DISTRICT CAMP

---

The first Indiana District Camp was held at Battleground in 1953 and continued there through 1962. On April 9<sup>th</sup>, 1963 The Indiana District was issued an article of Incorporation from the state of Indiana.

In 1963 and 1964, the camp was held in Hartford City at the Assemblies of God Campgrounds. In 1965, the camp was held at the Assemblies of God Campgrounds. In 1965, the camp was held at the Nazarene Camp in Marion, Indiana, and in 1966 moved to the present location in Fortville, Indiana.

In 1961, the District Board looked at three farm acreages to purchase for a campground. When Bro. Lester McFarland walked on the present location, he said, "This is the place." Mr. Kellum was owner of the present location and was asking \$30,000.00, but when he heard it was for a church camp, he reduced the price by 10 percent, and the real estate agent also donated \$500.00.

In a meeting at Calvary Tabernacle in November 1962, pledges were taken and in three months \$26,500.00 was raised to purchase the property. The District Board met on February 28, 1962 at the old farmhouse and paid in full for the property, and a deed was given to them at that time.

Work began immediately, and by 1965 the dining hall and five dorms were completed. On November 7, 1965 at the District Conference in Fort Wayne, permission was given to Church Builders to build the tabernacle, chapel, concession stand and roads for a price of \$290,000.00 with the hope of having everything ready for camp in August 1966.

Tragedy struck the camp on November 26, 1965 when a tornado destroyed five dorms and the dining hall suffered minor damage.

The Ladies Auxiliary held the first service on the campground in the east side of the dining hall. Sis. Dora Simison was the Ladies Auxiliary President, and Lane Scott spoke on "Beyond These Weeds."

In December of 1975, a drive was launched called "A Fair Share For Everyone" which resulted in the burning of the mortgage at the Adult Camp in 1976.

The Camp was remodeled under Paul Mooney as District Superintendent during the 1990's. The auditorium was re-carpeted, air conditioning was added and the dorms were air conditioned as well. The kitchen was completely rearranged and remodeled and air conditioned as well.

Around 2005 section 5, from our old sectional boundaries, took up the task of remodeling dorm 9-10, and redid the bathrooms and re-roofed the building. This gave a spark of inspiration for the next few years of improving and rebuilding the camp.

Robert Stroup, the district superintendent, allowed a group of men to travel around to some camps and report on what they had been doing to improve and update the camp in Indiana, and he even went with the group to Canada to view the recent improvements in the Toronto area campground.

Terry Long became the camp comptroller and began to implement some much needed austerity measures in order to help make the camp most cost effective to operate, which over the next couple of years eased the financial load on the district. The District Board began to make some adjustments in order to reign in the costs of the campground. They moved to bring in and outside consultant to help raise money to pay off approximately \$250,000 of mortgage debt. A team was created and a three year plan was created. In 2 years the debt was retired, and then in 2011, 20 acres of property adjacent became available when our campground neighbor passed away. The family wanted to have the property purchased by the camp. We agreed on a price of \$100,000 for the approximately 20 acres of farmland, which would enable future expansion. During camp meeting that summer, as we celebrated the retiring of old debt, we received pledges totaling \$100,000 towards the new property. After working with the city and county councils, when it was time to pay for the property on January 10, 2012, we had the entire \$100,000 in hand to purchase the property from the pledges of the pastors and saints being faithful and paying their pledges.

The summer of 2012 and 2013 saw several major improvements. We had some hail damage in the summer of 2011, so the insurance company paid for new roofs for all the dorms that needed them. In 2012 the ladies ministry paid for the remodeling all of the dorm restrooms.

In 2013, someone donated the money to redo the floors in the kitchen and dining hall, which led to the Ladies Ministry insulating and repainting the dining hall.

## CAMP POLICY

---

Inasmuch as the Indiana District Campground of the United Pentecostal Church is the center of activity in our entire District and involves the several departments of our fellowship, the Indiana District Board felt of necessity to form a Camp Policy, stating certain rules and regulations to govern the operations of a campground that is of great magnitude in business operation and spiritual standards to our organization; we now therefore institute the following policy:

### Section 1 Supervision

1. Throughout all camps there shall be at least one District Board member and the department head or secretary of each respective camp on the grounds at all times to assist in all camp problems. We encourage all campers not to take minor problems to our District Superintendent and further respect his privacy and his time so that he may give his attention to the greater problems of the district.

### Section 2 Maintenance

1. The water and sewage facilities are complex systems and only an authorized person designated by the District Board shall maintain and repair the central systems. (Cottage owners are responsible for repair and up-keep of water and sewage from their respective cottages.) Water to cottages shall be turned on and off by the camp caretaker or a responsible person authorized by the District Board.
2. Each department shall be responsible for the cleanliness of campgrounds during their respective camp. Damage to cottages, dormitories, or any other camp facility caused by excessive abuse on the part of any camper or campers which results in excessive repairs; cost of said repairs shall be assessed to the respective department, which may be passed on to the parents of children involved. It is suggested that each department delegate the following responsibilities to their board members:
  - A. There shall be planned clean up for all buildings each day; grounds, dormitories, and restrooms.
  - B. The auditorium must be cleaned each day.

- C. Restrooms must be cleaned each day and paper supplies kept in the proper receptacles.
  - D. There must be a final clean-up of each respective camp which will be followed by an inspection by members of the District Board.
3. The use and maintenance of recreation equipment and grounds used for recreation shall be supervised by one person appointed by each department board for their respective camp. There shall be an Inventory at the beginning and close of each camp by the department in charge.
  4. Furniture, materials and equipment shall not be moved from their respective buildings except by permission of the camp director or District Board. No mattress shall be removed from dormitory beds. Positively no stacking of mattresses.

### **Section 3    Personnel**

All camp plans by department heads shall be submitted to the District Board for approval together with the name, address, age, pastor's name and home church of all camp personnel to be used for respective camps prior to the camps they shall serve. Approval of the respective pastors shall be required for all personnel used in the camps. The District Board must sanction any free meals and/or rooms that are to be provided for those having official responsibilities designated by the departments of their respective camps. Not more than one child per worker will be considered for free meals without express permission of the District Board. All camp personnel must be members in good standing with one of our United Pentecostal Churches. Names of all proposed speakers and teachers for each camp shall be submitted by the respective departments to be passed upon by the District Board prior to contacting them. It is suggested that the speakers and teachers be provided room and meals on the campground if possible.

1. Ushers  
Must be passed upon by the department heads for their responsible positions and will be provided only with dormitory privileges. All camper rules shall apply.
2. Cafeteria Personnel

All cafeteria personnel shall serve under the direction of the cafeteria supervisor. All cafeteria personnel must wear a badge for Identification to receive proper consideration for free meals. All camp rules shall apply to cafeteria personnel. Minimum age of 16 years is required and adult supervision will be maintained in dormitories or cottages where non-adults are housed.

3. Concession Stand

Concession stand managers shall be appointed by the District Board and shall be separate from the kitchen supervisor. The concession stand shall be completely closed during all services. Only authorized personnel shall be allowed in concession stand. Children are not permitted. Minimum age is 16 and supervision will be maintained in dormitories or cottages where non-adults are housed. All camp rules apply to concession stand personnel.

4. Health/Hygiene

Rules of health and hygiene apply to all personnel working in cafeteria and concession stand (State Board of Health required.) Cafeteria supervisor shall provide information and requirements as to the Board of Health requirements. Only authorized personnel shall be allowed in kitchen and traffic serving area. It is to be here stated that we must have a total campground cleanliness: to maintain a respect of cleanliness is next to godliness.

## **Section 4 Finances**

Whereas the final responsibility of all financial obligations rest upon the Indiana District Board, we feel it therefore necessary to enforce the following plan:

1. Financial Report

- A. Each department is to submit through their Secretary-Treasurer an itemized report sheet, furnished by the District, as complete as possible to the District Board for their approval, together with a prearranged plan for offerings received through each camp with a completed record at the close of each respective camp.
- B. Offerings and gifts must be by knowledge of the District board. (This helps avoid duplication and misunderstanding.)
- C. All offerings shall be received and counted by the secretary-treasurer and one other designated responsible person as required

by the Bonding Insurance Company, and prepared for daily bank deposit and shall furnish the District Board with a form stating amount, signed by both parties.

2. Tuition

- A. The District Board establishes the tuition for each camp.
- B. An amount equal to 40% of tuition received from each camp shall be given to the general camp secretary-treasurer on the day following registration for deposit in the Camp Operating Account at Fortville, Indiana. This amount will be applied to food and housing for each registrant: an account to be made at the close of the camp.

3. Disbursement

- A. All items purchased in the Fortville area shall be by written requisition.
- B. All major purchases shall be through the office of the District Camp Secretary-Treasurer. It shall be required that all disbursements be made by check.

## Section 5 Camper

- 1. A camper shall be any person who is single, having never been married, and having never been the father or the mother of a child, and who is in the age group of the camp in session and who is duly registered as a camper..
  - A. Rules for campers are as follows:
    - (1) All campers must have recommendations of the United Pentecostal Church pastor of their city to attend.
- 2. All campers shall be required to attend all class sessions, music, services and no loitering outside the tabernacle during evening services.
- 3. Campers are not to stay in cottages without an adult counselor officially approved by the department in charge. Campers are not to be present at any time in a cottage where members of the opposite sex are present or reside. When a visitation shall exist, the camper or campers shall be dealt with by the District Board and may be banned from the camp for whatever times the board shall determine. The respective pastors shall also be notified of such actions.

4. Campers shall be required to eat their meals in the cafeteria at the approved time.
5. Campers who drive shall turn their keys in to department heads at the beginning of camp and may only leave by permission of the department head or member of the district board.
6. No camper shall be permitted in any area of the campgrounds beyond the boundary established by the district board.
7. We disapprove and will not allow shorts, split skirts or slacks on the campgrounds.
8. Girls registered at any youth camp must have all dresses decent and below the knees. Dresses and blouses must have sleeves. We disapprove of girls cut, trimmed or unkempt hair and ask all Holy Ghost filled campers to respect this standard and set forth an example for all to follow. The use of lipstick, makeup, or jewelry shall not be permitted. Shirts or sweaters with suggestive writing or pictures will not be allowed.
9. All boys must have decent haircuts. No tight fitting trousers shall be permitted. Boys must wear shirts (no tee shirts) or sweaters. No shirt or sweater with suggestive writing or pictures will be allowed. No jewelry, mustaches or beards will be allowed on boys.
10. Recreational activities involving both boys and girls shall only be allowed by permission of officials of the camp in session. The District Board must approve all off-campus activity.
11. No person shall be allowed to participate in sports activities that are not directly involved in the respective camp in session.
12. Because of a world reflecting wrong example, the Indiana District Board strongly suggests that all ministers and their wives and lay people set forth an example of modesty in dress and presentation of holiness in example.

## **Section 6    Non-Campers**

Any person not registered for the camp in session not within the age group of the respective camp shall be considered non-campers. Due to the many problems caused by non-registered individuals, the following guidelines have become necessary:

1. Non-campers (unregistered individuals) shall not be allowed in camper's area while it is being used for camper activity, except during evening services and at meals with permission of District Board or department head.
2. All non-campers shall pay for their meals in the cafeteria except where special consideration is granted by officials in charge of said camp in session.
3. All personnel are required to pay for anything received at the concession stand. The District Board only permits exceptions.
4. All non-campers who are not staying on the campground shall be expected to leave the grounds by the time determined by the officials in charge.
5. All non-campers staying on the grounds shall leave the camp area according to the same rule. Non-campers shall not engage in activity after hours that disturb other visitors. All cottage owners should be aware of the above rules and their responsibility to cooperate and assist in the enforcement of the same.

### **Section 7 Cottage Ownership**

Any business transacted as to cottage sales, trade or disposition, shall be conducted according to the requirements set forth in the sales contract. Cottages and landscaping shall be kept neat and in good repair as per contract. All cottage owners are to assist in conservation of water supply and make arrangements to winterize cottage each fall of the year. Water, sewage and insurance assessments will be renewed on an annual basis.

### **Section 8 Music Department**

The music director must understand the camp choir is basically for registered campers. Non-registered campers shall not be allowed to participate in music without the express permission of the District board.

Any assistance by persons who are not registered campers shall be under the same disciplinary rules as are registered campers. The music director and assistants shall be under the authority of the department head and the District Board.

### **Section 9 Other Personnel**

Any persons involved in any capacity not already specified shall be under the same general rules as specified for all personnel.

## **Section 10**

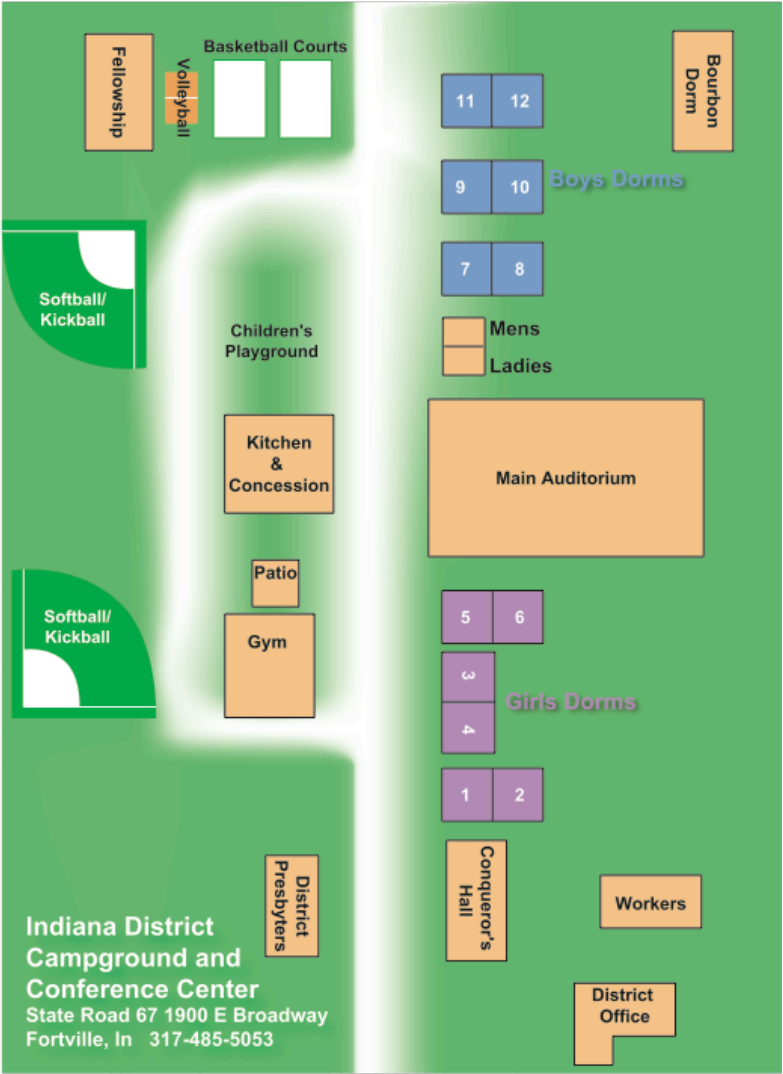

We strongly admonish everyone who attends camp to be inside the tabernacle and not to be loitering outside during services.

## **Section 11**

The following statement shall be on all camper's registration forms:

I, (Pastor's name), as pastor of (Camper's name), have advised this applicant of all camp rules and their obligation to abide by them, and I hereby pledge to uphold the camp in all the camp policy.

## **POLICY ON MANAGING RINGWORM**

---

### **Objective**

To establish a standard policy to identify, contain, and manage ringworm among campers.

### **Definition**

Ringworm is an infection caused by a fungus which can affect the skin on the body (*Tinea corporis*), scalp (*Tinea capitis*), groin area (*Tinea cruris* “jock itch”), or feet (*Tinea pedis* “athlete’s foot”). Ringworm usually begins as a small red bump or papule that spreads outward, so that each affected area takes on the appearance of a red, scaly outer ring with a clear central area. The lesions are frequently itchy, and can become infected if scratched.

Transmission is usually by **direct contact** with a human or animal source. *Tinea capitis* can also be transmitted by inanimate infected objects such as the back of seats, combs, brushes, or hats. *Tinea cruris*, *corporis* and *pedis* can be contracted from places such as shower stalls, benches, contaminated floors, and articles used by an infected person.

(All above information taken from [www.in.gov/isdh](http://www.in.gov/isdh))

When assessing skin refer to image below of a confirmed case of ringworm on the body:

([http://www.medicinenet.com/ringworm\\_pictures\\_slideshow/article.htm](http://www.medicinenet.com/ringworm_pictures_slideshow/article.htm))

#### **Identification and Management for registered campers**

- Camp staff who identify a suspected case of ringworm will discreetly escort the camper to the designated camp health officer for inspection.
- Campers with confirmed cases will be required to see a licensed professional to diagnose and treat the condition and may return if the licensed professional provides documentation that the camper is not contagious and can participate in an overnight camp setting.
- In the case that the camper states that they have been treated the parent/guardian may have the treating physician fax a clearance to the camp office stating the camper is no longer contagious and can participate in an overnight camp setting.

- There is no need to assess other campers since the incubation period after initial contact is 4-10 days and it would be unlikely that they would already be showing signs and symptoms.

## **POLICY ON MANAGING HEAD LICE**

---

### **Objective**

To establish a standard policy to identify, contain, and manage suspected and confirmed cases of head lice of campers.

### **Definition**

Head lice are parasitic insects that can be found on individuals' heads. Human lice survive by feeding on human blood. Adult head lice are roughly 2-3 mm long. Head lice infest the head and neck and attach their eggs to the base of the hair shaft.

Head lice infestations are spread most commonly by close person-to-person contact. Dogs, cats, and other pets do not play a role in the transmission of human lice. Lice move by crawling and cannot hop or fly. Both over-the-counter and prescription medications are available for treatment of lice infestations.

The risk of getting infested by a louse that has fallen onto a rug or carpet or furniture is very small. Head lice survive less than 1-2 days if they fall off a person and cannot feed. Nits cannot hatch and usually die within a week if they are not kept at the same temperature as that found close to the human scalp. Spending much time and money on housecleaning activities is not necessary to avoid re-infestation by lice or nits that may have fallen off the head or crawled onto furniture or clothing.

(All above information taken from [www.cdc.gov/parasites/lice/head](http://www.cdc.gov/parasites/lice/head))

### **Identification and Management for registered campers**

- Camp staff who identify a suspected case of head lice will discreetly escort the camper to the designated camp health officer for inspection. (Suspicion is based on seeing bugs crawling in the hair, individual is scratching head excessively, may be irritable)

and having trouble sleeping since lice are more active in the dark.)

- Confirmed cases will be treated with over-the-counter lice treatment strictly following directions on the label. A fine tooth, specialized comb must be used to remove all nits. (Minor campers' parents and/or guardian should be called for permission. If preferred, parents and/or guardians may sign their child out and treat them at home.)
- If there is a large amount of campers with confirmed cases, the camp director may choose to send campers home for treatment.
- The clothes that have been worn by the camper since their arrival, towels, and their bedding should be washed in hot water and dried on high heat. Combs and brushes should be discarded and may be replaced by camp officials if the camper remains on the campground.
- Any camper who has shared clothing or has been in close physical contact with the camper with the confirmed case should also be inspected and treated as stated above for the confirmed case.
- As a precautionary measure, all campers assigned to the same dormitory as the camper with the confirmed case should be inspected by a trained individual(s) in their dormitory assuring privacy and avoiding humiliation to all campers.

Campers who are effectively treated may return to camp after being re-inspected by the camp health officer or another trained individual designated by the camp director
